

Hello Everyone,
It's Summer in New England so Fairs
& Festivals have begun. In this issue

I have included several
recommendations for you to check
out. The shows are happening later
in the season but don't wait too
long; most shows start booking
months ahead. If you have any hot
tips on shows please pass them on
so I can feature them in future
issues. Thank you. Wishing you all
good health & great sales!

Lora
