

Hello everyone,
The holiday show is quickly approaching & we show elves are hard at work putting it all together. I know I've already spoken about the show program but it is so important that it needs to be reiterated. Also you can come to the Oct. meeting for help with the show program, signage, display and hotel accommodations. All of these topics will be discussed. If you have any questions about the show program please email me at htbakery@yahoo.com See you at the meeting

For the Holiday Show & food drive this year we are planning a professionally printed program for all of our patrons. They will be able to access this in two different ways. Either by hard copy (4000 printed) or by QR code that will be on our advertising & on posters at the venue.

The program will highlight our charities & what Ocean State Artisans Holiday Show & food drive strives to do. There will be a list of vendors with their booth location. The middle (centerfold) will be a map of the venue. We will also have a few pages dedicated to thanking our sponsors. The rest of the program is where you come in--- ADS!!! We are offering our vendors several options to get more advertising for your business.

Above are some examples of the 3 different size ads available. Please note that the ads MUST be in black & white PDF format. DO NOT just email me your business card & tell me what you want the ad to say. I do not have the time to design everyone's ad. I also do not want to be responsible if you don't like the way it comes out. YOU MUST email me the finished design.
